Important news from your cooperative

You'll find it right here in South Carolina Living Magazine

WELCOME TO SOUTH CAROLINA LIVING, the official magazine for members of Lynches River Electric Cooperative.

The magazine, formerly known as Living in South Carolina, has been revitalized. You'll find your favorite features are still here, and we've added new ones we hope you'll like. You'll also find important news from your co-op here on the Co-op Connection pages.

Normally, we'll send you the magazine every other month. However, we'll be

back next month with our Annual Report as we set the stage for our Annual Meeting of Members on September 26. We hope you can attend.

This month, the important news from your co-op has to do with capital credits, which is patronage capital that Lynches River Electric, as a cooperatively owned business, returns to members whenever possible.

In 2002, the co-op mailed capital credit checks to members who received electric service in 1980. Many of those checks were returned by the postal service. We are holding checks for people on the following list. If your name or the name of someone you know is listed, please contact us at 672-6111 or, toll-free, 1 (800) 922-3486 by September 30.
